## Questions you can ask when canvassers or political candidates call to your door

---

- 1 What are your views on the designation of dementia as a National Health Priority?
- 2 Do you think it is sustainable that The Alzheimer Society of Ireland must raise 30% of the operating cost of services?
- 3 What are your party's policies in relation to people with dementia and their carers?
- 4 What do you plan to do for people with dementia and their carers in this constituency?
- 5 Will your party support the implementation of the solutions laid out in the Dementia Manifesto 2007-2009?
